<b>Subject:</b>	Notice of Abandonment mailed on November 04, 2005
-----------------	---

Dear Examiner,

In your abandonment letter you indicate that you telephoned me to the listed contact phone number 408-517-1417. You wrote that the phone was not in service and therefore the instant case is abandoned.

On July 15, 2001 I sent form PTO/SB/122 (10-00) with an address 10 Geula St., Kfar Saba, Israel with phone number in Israel +972 9 746 2254 and fax in Israel +972 9 746 2592.

On November 15, 2002 I sent form PTO/SB/122 (10-01) with an address 3 Hagai St., Kfar Saba, Israel with phone number in Israel +972 9 767 9699 and fax in Israel +972 9 767 9693

I also mentioned my communication data with additional links in my communications such as:

PATENT APPLICATION

On April 14, 2003 I sent a fax indicating my communication data:

Email: haim@infobit.com

Fax in the USA: 425-671-7331

Phone in Israel: +972 9 767 9699

Mobile in Israel: +972 5 23294427

On May 19, 2003 I sent another fax indicating again the same communication data.

I am not sure what the source of confusion is.

During year 2003 I received letters to my 3 Hagai St. address. This was a good indication that the PTO/SB/122 (10-01) form was accepted and updated in my files, including my new phone numbers.

The picture on my side is that the Office Letter sent on 02 March 2005 (mentioned in your November 04, 2005 letter) has not been received by me.

I would appreciate if in view of the above you could restore the file and re-send me the Office Letter sent on 02 March 2005 for response.

This communication includes new phone numbers to replace the existing numbers on December 15, 2005:

Haim Melman / Inventor.
